We had such a great year skiing together last winter and we can't wait for this year's ski club to start! The snow will be here before you know it, so please register ASAP for Pickering Christian School's Ski Club.

How To Sign Up:

1. Go to www.ski-lakeridge.com/school-group to begin the registration process, click "School and Corporation Program," then click, "Online School Registration."
 - a.) Type our School: **Pickering Christian School**
 - b.) School Password: **Pickering162**
 - c.) Select "Student" for type of registrant and click "Submit". If you are a parent registering, please select "Non-Supervising Adult".
 - d.) Fill out form and click the "Submit" button.

2. Submit the form below with payment to PCS after registering online (cheques should be made payable to Pickering Christian School).

****Please note** – Last year we had extra ski passes to sell to those who wanted to ski. If you plan to ski on a weekly basis with your child, please register online along with your child (it is cheaper this way). We only receive a few extra tickets and cannot guarantee we will have any available. **
